1. INTRODUCTION

- **Craighorn Consultancy** is a public transport consultancy established, operated and owned by David Taylor. David currently employs no one and acts as a sole trader, although he has joined with other independent transport consultants and has been employed by other transport consultants in delivering projects.

2. ENVIRONMENTAL POLICY STATEMENT

- **Craighorn Consultancy** attach the greatest importance to environmental issues. It is committed to leading the transport industry in minimising the impact of its activities on the environment by the promotion of best practice.
- **Craighorn Consultancy** see that its environmental responsibilities ranks equally with the company's commercial activities.
- The key points of **Craighorn Consultancy's** policy are:
 - a. Ensure that all its clients are aware of the company's Environmental Policy and encourage them to adopt the same principles;
 - b. Individually and in partnership with others, promotes environmental information;
 - c. Use sustainable resources wherever possible;
 - d. Comply with all relevant environmental legislation, regulations and applicable codes of practice;
 - e. Where possible travel to all meetings and site visits in as environmentally friendly way as possible, using public transport;
 - f. Ensure unless where specifically stated by the client that documents are provided electronically;
 - g. Annually review the environmental policy performance or on a more regular basis if required;
